

## PETS REGULATIONS

Pets are allowed at Hotel Medil, upon prior request, staying with their owners, subject to a reservation to be made at the same time as the confirmation of the stay. The rate for the pet's stay will be per pet.

In order to ensure a comfortable stay for all guests accommodated, we have developed the following regulations - in accordance with the main regulations in force and the requirements of civilised coexistence - which we invite you to read carefully.

Access to and stationing in the following areas is prohibited: restaurant, wellness centre, gym, ski and sports equipment depots. Those wishing to come to the restaurant with their pets can request a table in the pet-friendly dining room.

In the other common areas, pets are allowed to walk through and stay, as long as they are always accompanied and must be on a leash and provided with a suitable muzzle in case of an aggressive dog.

The pets' behaviour must be managed by the owner in such a way that it does not disturb other guests and does not create inconvenience with other animals;

Animal owners are responsible for any damage that may be caused to other animals, property and persons. Any claims for damages, costs and expenses (including legal fees) for personal injury and/or damage and/or littering that has resulted from the animals' behaviour shall be the responsibility of the owner. An immediate charge will be made to your credit card for the replacement of any damaged items.

We kindly ask you to take into consideration the presence of other guests, to limit the time the pet is left in the room alone and the noise that may be caused by the animal.

Any use of the bed and bathroom linen for the animal (grooming, bedding or other) is prohibited; it is strictly forbidden to let animals on beds, chairs, tables, etc.

No food is provided by the facility and the owner must be adequately equipped for the well-being of their dog.

Pets owners must agree with the reception on a time when room cleaning is permitted, during which the animal will not be present in the room.

They also agree to remove any excrement and/or droppings that their animals leave in the areas of the accommodation facility.

They will therefore provide themselves with suitable plastic bags and dustpans for this purpose.

Pets are allowed only upon payment of the surcharge indicated in the price list of each accommodation facility.
